Hillsdale College Podcast Network Surpasses 2.5 Million Views and Downloads in 2024

The network was launched in 2023 and includes nine programs.

HILLSDALE, Mich. — The Hillsdale College Podcast Network surpassed 2.5 million views and downloads across its nine programs in 2024.

“It is exciting to see how the Hillsdale College Podcast Network has grown since we launched it less than two years ago,” said Scot Bertram, director of the Hillsdale College Podcast Network. “Our shows bring the learning, teaching, and discussions we have here on campus to people across the country. We are thrilled to have so many people joining us.”

Hillsdale College entered the audio space in 2012 with The Hillsdale Dialogues, a weekly radio hour hosted by nationally syndicated radio personality Hugh Hewitt. In 2019, the college began producing its own content with the Radio Free Hillsdale Hour.

The college launched the Hillsdale College Podcast Network in 2023. HCPN offers nationwide access to Hillsdale’s audio content and includes nine programs: The Larry Arnn Show, Liberty and Learning with Mark Levin and Larry Arnn, Hillsdale Dialogues, Radio Free Hillsdale Hour, The Hillsdale College Online Courses Podcast, Beyond the Bubble, Imprimis, Hillsdale K-12 Classical Education Podcast, and The White and Blue Podcast.

HCPN shows are available on major podcast platforms, including Apple Podcasts, Spotify, YouTube, and Amazon Music. Listeners can subscribe to the network’s shows for free and receive new episodes as they become available.

About Hillsdale College

Hillsdale College is an independent, nonsectarian, Christian liberal arts college located in southern Michigan. Founded in 1844, the College has built a national reputation through its classical liberal arts core curriculum and its principled refusal to accept federal or state taxpayer subsidies, even indirectly in the form of student grants or loans. It also conducts an outreach effort promoting civil and religious liberty, including a free monthly speech digest, *Imprimis*, with a circulation of more than 6.6 million.
